

## Frequently Asked Questions

### **What is Rooted?**

Rooted is a 10-week discipleship experience that takes people closer to God through group discussions, a prayer experience, a serving experience, and an amazing celebration!

### **When is Rooted?**

Rooted will be offered on Wednesday nights on August 16 from 6:30 to 8:30 p.m., and Sunday nights on August 20 from 5:00 to 7:00 p.m.

### **Can I miss any weeks?**

Yes, but only two weeks. Participants are asked to attend as many weeks as possible in order to build group chemistry and get the full Rooted experience. Week 8 of the program will be repeated to accommodate Chandler Unified School District fall break. It will be offered back-to-back weeks. Missing one of these weeks will not count as a missed week.

### **Does it cost anything?**

Yes, \$25 per person. This will cover the cost of materials and a delicious meal at the Rooted celebration.

### **Is registration necessary?**

Yes, only those with registered forms will be a part of a Rooted group. Groups will be formed prior to the first night of Rooted. For this reason, walk-ups cannot be accepted.

### **Can spouses share materials?**

No, every individual's material includes a journaling and homework section during the week. This needs to be done individually, so each spouse needs his/her own Rooted book.

### **Can my life group do this together?**

Yes, your life group can go through Rooted together. However, Rooted groups are limited to 15 per group so if your life group is larger than 15, your group will have to split up during Rooted. If your group is smaller than 15, additional people may be added to your Rooted group.

### **Can my life group leader be my Rooted group facilitator?**

Maybe! If your life group leader has been through Rooted facilitator training, he/she may be your group's facilitator. If your leader has not, then a trained Rooted facilitator will be paired with your group during the Rooted experience.

### **Will childcare be available?**

Yes, childcare will be available for children up through 6<sup>th</sup> grade.
