

The Language of Prayer

January 13-19

INTENTIONAL LEADER

Make sure everyone in your group is signed up for a Vision Night. It is important that everyone is included on this Uncharted journey that Compass is going so that they understand how important they are to the Compass family.

PRAY BIG

Do you ever feel like your prayers don't make it any further than the ceiling? Do you question if God's even listening sometimes? In our *Pray Big* series we are learning how to take our prayers to a whole new level.

SERMON SCRIPTURES

1 Peter 5:8; Colossians 4:2; Luke 11:1;
1 Peter 4:7; Matthew 6:7-13; Colossians 1:9-10

STARTING THE DISCUSSION

If your group needs a "jumpstart" to get going, use the icebreaker or a simple open ended question such as "What stood out to you most about this week's sermon?"

ICEBREAKER SUGGESTION

Have you ever been somewhere where you didn't speak the primary language? What was your experience?

DISCUSSION QUESTIONS

1. Have you ever felt unsatisfied with your prayer life? Why?
2. Have you ever heard of or believed any of the "prayer myths" Matt Myers talked about?
3. When was the last time you tried praying using a different technique or method? What was your experience?
4. How do you feel different about prayer after this sermon?
5. Take a few minutes and have everyone say a prayer for 2019 using the three principles Matt mentioned: keep it honest, keep it simple, and keep it up!
