## **WHAT IS YOUR CANCELLATION/REFUND POLICY?**

We understand life can be hectic, and we all know plans can change at the last minute. Cancellations will be considered on an individual basis. Please understand that when you cancel a registration, we have already done administrative work, hired staff, purchased supplies, paid for insurance, paid for charters, and paid the camp we are attending, all of which are non-refundable. With that in mind, we hope to be fair to our families and to be good stewards of our ministry with our cancellation policies. The first \$100 is non-refundable. Additional refunds will be considered on a case by case basis.
