Yes, you can drop off or pick up other campers, but parents will need to register their own camper(s).

WHAT HAPPENS IF MY CAMPER GETS HURT/INJURED AT CAMP?

In case of injury, our Compass Staff will contact the camper's parent/guardian, as well as seek local medical attention if needed.

WHAT IS YOUR CANCELLATION/REFUND POLICY?

We understand life can be hectic, and we all know plans can change at the last minute. Cancellations will be considered individually. Please understand that when you cancel a registration, we have already done administrative work, hired staff, purchased supplies, paid for insurance, paid for charter buses, and paid for the camp we are attending, all of which are non-refundable. With that in mind, we hope to be fair to our families and to be good stewards of our ministry with our cancellation policies. The first \$100 is non-refundable. Additional refunds will be considered on a case-by-case basis or if every camp spot has been filled.
